1. Bob presented the treasurer's report as mentioned and described all the deposits and disbursements individually noted in the report.
  - a. Bob noted that there are still checks that he distributed at the Road Race that had not yet cleared at the time of his report. Once those checks clear, all of the money from the Road Race will be reflected in the report. A motion was made by Michael Roberts that the profits from the Road Race be split 50/50 between the C4 general fund and the HBWRT – this motion was seconded by Mike Thomas and approved by the members present.
2. A motion was made by Michael Roberts to accept the report as presented, to include the additional disbursements as noted, seconded by Mike Thomas and approved by members present.

**ADMINISTRATIVE UPDATES**

1. **Club Items** – Robert Havens

- a. After receiving the winter order, all items online have been updated and are available for purchase.

2. **Web Site** – Robert Havens

- a. Monthly traffic for June: 178,287 and 615,266 for the year with the increase related to the CCA RRR Championships.
- b. Remember that the **website is our primary means of communication to the membership and community as well**. If you have not registered onto the C4 website then we encourage you to do so. If you are a current member and are newly registered on the website, please send Robert an email letting him know your username and full name so he can make sure your permissions are up to date.
- c. Robert asks that if you are a current member and after logging into the C4 website, you do not see member pricing on items for sale in the store, please contact him and he will verify your permissions are correct. If they are not he will update them.

3. **New Membership History**

	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

2013	6	6	4	7	8	10	5	3	5	6	3	2

**CROSS CREEK CYCLING CLUB**  
**MONTHLY MEETING MINUTES**  
 July 6<sup>th</sup>, 2015 7:00 PM

	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
2014	3	3	3	3	2	6	0	2	2	3	2	1
2015	2	1	1	3	5	3						

- a. Total current membership is 90 (as of July 6th).
- b. Please check online or on the member report on the C4 FB Group page – at the beginning of the month Robert posts the most recent members report online, with the members needing to renew highlighted. The website also sends a reminder to expiring members 14 days and 7 days prior to registration – IF and only IF the member is registered on the website.
- c. Membership forms are available online thru the C4 online store for automated site registration and permissions updating, as well as blank forms online and at Hawley's and other locations as announced. Payment must be received before your card and website permissions are prepared.
- d. It is asked of members to encourage those who ride with the club and are not members, to consider joining to assist in the growth of the club.

### OLD BUSINESS

1. 2015 CCA Regional Road race Re-cap
  - a. Overall participation entries 366
  - b. Volunteer count was approximately 46 separate volunteers over two days not counting the Setup and prep on Friday before the race weekend.
  - c. Income versus expenses
    - i. From looking at the 'Money In vs Money Out' for the weekend, it costs about \$5000.00 per day to host and put on a race
    - ii. Bob, Mike T and Michael Roberts have a detailed balance sheet for the race weekend.
  - d. AAR points and discussion to improve event
    - i. Overall the feedback for the weekend was pretty positive. The racers, for the most part enjoyed the course and the people at the event, and the venue.
    - ii. There were a few comments that the course 'was not hilly' enough – didn't provide ample opportunity to break of the fields for example
      1. Counterpoint – the race is in Eastern NC, there are very few hills in this area, and even further east.
      2. Counterpoint – the feedback from the same race last year was good, so the course was kept the same, you do not want to 'test a course' on a championship event.
    - iii. Parking – need better supervision of the parking situation in the field – cones perhaps defining lanes etc, and volunteers to direct and assist in parking
    - iv. Pace Cars – it was suggested to use the pace cars to assist in blocking the road (far up from the finish line) for the final sprint, since the sprint, from 200m out is allowed to use both lanes. This way the racers have time to decelerate without having to worry about getting hit by oncoming traffic.
    - v. Better traffic control in turn 4 especially on the final lap so vehicles don't interfere with the final sprint. Contingency plan for train crossing with cars backing up on the course – there needs to be a way to get them off the race course or 'control' the stopped cars so the race can go on around them before they move.
    - vi. Bike support available – we had the Hawley's van but no mechanic.
    - vii. Volunteer Scheduling – this year the volunteers for the course were scheduled by time slot, and there were a few times where the volunteers were on course and no race going on – suggest to schedule course marshals and volunteers by race, not by time slot.
