warmers, skin suits. Robert is waiting for Rebcca to get price list and if we start getting some idea of what people would like and the Hawley's will do the order.

- b. Saturday rides – Leona asked if we need more ride leaders? A Group – there is not enough in the A-group, then A-Group goes with B-Group and goes out and splits in two halves. John suggested that we announce if there are people who are doing A Group pace, go to the second overpass and be at the front when you want to take off. Tom's suggested somewhere on the front webpage put the ride ability groups so people do not have to dig for it. Robert will make those changes on the website.
- c. USA Cycling Club of the Year Application – Leona and Jen are working on the application. The deadline for information will be November 14 and will go out to USA Cycling by November 21. Robert will provide the photos and demographics from the clinic for the USA Cycling Club of the Year Application.
